

## Some of the Worst Book Timings

### **Dow 40'000: Strategies for profiting from the Greatest Bull Market in History**

June 26, 1999

"...you'll learn why I am optimistic about the stock market for at least 20 years into the twenty-first century." *David Elias, Author*

### **Dow 100'000: Fact or Fiction**

September 30, 1999

"The future is never known with certainty. Yet, there are moments in history when powerful forces are so aligned that they allow us to anticipate with unusual confidence the shape of the future and the direction of financial markets. Now is one of these moments." *Charles W. Kadlec, Author*

### **Dow 36,000: The New Strategy for Profiting From the Coming Rise in the Stock Market**

November 14, 2000

"Rock-solid investment advice....Long-term investors can place it on an altar next to the works of Benjamin Graham and Peter Lynch, as well as Warren Buffet's annual homilies to his Berkshire Hathaway investors." *Review by Knight A. Kiplinger, Kiplinger's Personal Finance Magazine*

### **The Roaring 2000s: Building the Wealth and Life Style You Desire in the Greatest Boom in History**

April 14, 1998

"In The Roaring 2000s, I forecast a new era of prosperity even greater than the "Roaring '20s." *Harry S. Dent, Author.*

Ten years later, from the same author:

### **The Great Depression Ahead: How to Prosper in the Crash Following the Greatest Boom in History**

January 6, 2009

Time will tell...

### **Why the Real Estate Boom Will Not Bust – And How You Can Profit from It: How to Build Wealth in Today's Expanding Real Estate Market**

February 21, 2006

"An invaluable book...Today's real estate markets are booming and Lereah makes a convincing case for why the real estate expansion will continue into the next decade. This book should prove to be a truly practical guide for any household looking to create wealth in real estate." *Review by Dewey Daane, Former Governor of the Federal Reserve Board of Governors*

"David Lereah lays out a compelling vision of housing as a continuing positive investment." *Review by David Berson, Chief Economist, Fannie Mae*
